

Sponsorship Opportunities 2018

Pittsburgh Salsa Roundtable

First started in 2012, the Pittsburgh Salsa Roundtable annually conducts Salsa Fuego - a weekend congress of Latin dance comprising performances, competitions social dances, and workshops - featuring National Level dance instruction and World Champion performance talent.

Pittsburgh Salsa Round Table is a volunteer-run 501(c)3 organization.

Our Mission

Our mission is to increase participation and diversity in our community, promote the love of dance, and showcase Pittsburgh.

Salsa Fuego hosts a performance by Yes! You Can Dance, an organization that empowers those with disabilities through dance programs. Each year, the Pittsburgh Salsa Roundtable provides a grant of fiscal support from the weekend's proceeds.

Our Vision

Our vision is to run a Pittsburgh cultural event that is a touchstone for social dancers, instructors, and studios in Pittsburgh. We are a recognized organization for expanding the dance network in Pittsburgh, and providing high-level social and performance dance via national dance troupes and world-class dance instruction.

Salsa Fuego exposes attendees to a full spectrum of dance abilities by showcasing the work of Yes! You Can Dance, featuring dancers with special needs. Pittsburgh is one of the only Latin Dance Conferences in the country that supports other nonprofit efforts.

Attendance

In 2017, more than 450 attendees – ranging in ages from 18 to 65+ of all ethnic and racial backgrounds, professionals, and nationalities – participated in Salsa Fuego. More than two-dozen studios were represented in the performances and judged dance competitions. 2017 featured more than 30 hours of dance instruction by World Champions and top talent from seven states, Canada, and Sweden.

What's happening in 2018?

Salsa Fuego 2018 will be held on January 12 – 14 at the Twentieth Century Club. We are looking to increase attendance, variety of dance work-shops, and number of performers and competitors. With your support, we are also seeking to add live music for social dances, which will both add to the richness of the event and increase attendance.
